Home Development

—o—

Canada, being a new country has problems to face. Western Canada especially has many problems. We are passing out of the pioneer stage. The nuclei of the committies which will form the cities, towns, and villages of Canada of the future have been established, except in the far north, where settlement has not penetrated, and the agricultural capabilities of the various sections of the West are being demonstrated by actual use. The next stage of material development will probably be industrial.

We had the pleasure recently of listening to an address by Professor P. W. Wallace, M.A., of Toronto University, on "Ideals In Journalism."

In the course of his address, Professor Wallace pointed out that one of the great tasks of the future, now that the pioneer stage was passing was to cultivate home associations, and to check the desire to regard a place as merely a temporary home.

In the pioneer stage of the West the men who first settled it, farmed the land, and established the trading centres, were of necessity from other provinces and other countries.

Though settled there, having helped and still helping to build up this great country, they are bound to the homes of their birth by ties of association. They are proud, and justly so, of the homes from which they came, and many of them who have decided on some point in the west as their permanent home, their new homes after a pattern of the old. Others are not yet contemplating living out their days in the place which they now call home.

But a new generation is growing up, a generation which has been born in the West. How are we to cultivate in this new generation the ideals or home association, and the building up of local pride and stimulation or local industries.

In last week's issue we mentioned the pride which the people of Toronto had in their city. It is largely established by their public and private buildings, their monuments, which evidence the glories of the past, their public utilities, their parks, and their institutions of learning.

What lesson can Strathmore and other towns in this district derive from this? Is it not that we should cultivate the establishment of good homes, the erection of public buildings of which we can be proud, the development of public services, and most of all, the keeping up our facilities for education to the highest point possible.

If we were to stop sending our surplus cash out of town to be expended on doubtful stock promotion, and real estate schemes, as has happened previously in the development of the West, encourage our local industries, give our children the best education possible, and lend our assistance to every form of community effort, whether it be buildings, churches, parks, or public utilities, we would all be better off, we could feel the stimulas of local pride, and could make towns and districts that our children would be proud to stay in and develop.

The Memorial Hall at Strathmore is one example of this. It perpetuates something of which we are all proud, our participation in the world fight for freedom, it is useful and though an ambitious undertaking for a comparatively small community, does anyone feel now a loss of money or time for which it was responsible? Certainly not. Strathmore people are proud of their park and their trees. They are definite inducements to home-making.

Then why not keep up the good work on the lines outlined throughout the foregoing. The time and money spent is always well worth while. We are helping our Province, our Dominion, and our Empire when making our own district a better place to live in.

The application of Professor Wallace's talk, as applied to the newspapermen who heard him, was to carry this thought through to their readers, and at the same time applying it to themselves in the production of newspapers of which their readers would be proud. A newspaper is a public utility. It should have an educational value, and help with other influences in the upbuilding of the community in which it is situated

PASSENGERS FOR THE ARTIC

The popularity of the summer trip to the northern territories, and the Artic was evidenced in the large passenger list on the steamers for the Arctic. The passengers included not only Mounted Police parties for northern posts, Judge Dubuc and his official party for the holding of court at Aklavik, but also included tourists among whom was Dr. Roland Hammond of, Providence, Rhode Island who is spending his summer vacation in the northland.

—o—

GOES TO SOUTH AFRICA

G. Roy Stevens, a former Alberta newspaper man and graduate of Alberta University, has been appointed Canadian Trade Commissioner to South Africa.

—o—

DAIRY BUSINESS CHANGES HANDS

The dairy business of Mr. A. Godfrey has been purchased by Mr. Richt. Gardner lately connected with Cott & Gardner, of the Strathmore Meat Market.

Mr. Gardner, who is well known throughout the district intends to make the Godfrey dairy into a first-class sanitary business concern, installing a lot of new machinery, and modernising the plant in many ways.

Mr. Gardner assures all customers that service and cleanliness will be his motto.

—o—

CHILD ADOPTION CASE PETITION

Many friends of Mr. and Mrs. F. E. Sugden have been requesting that a petition be circulated to bring about a new trial in the "Child Adopion Case", which was tried in Calgary a short time ago, and in which they think justice had not been properly meted out to Mr. and Mrs. Sugden

This petition has been finally started, and has been placed in the store of Thos. E. Wright, Men's Furnisher, Strathmore, where all who desire to see the Sugdens have a new trial, will have an opportunity to sign.

—o—

Coming Events

—o—

A lawn social and strawberry festival will be held in the park on Saturday afternoon and evening, June 28th, under the management of the ladies aid of the Union church. 25-6-u

—o—

On July 4th and 5th the greatest picture of the season, "The Covered Wagon", will be shown in the Memorial Hall. Critics claim this is one of the greatest pictures of the age, and is a special attraction. Admission 50c and $1.00. 2-7-u

—o—

A dance will be held in the Strathmore Memorial Hall on Monday, June 30th, under the auspices of the Strathmore Hockey Club. Everybody come and help the boys. 25-6-u

—o—

U.F.A. PICNIC

A U.F.A. picnic will be held at Bruce Lake July 1st, commencing 11 a.m., between Irricana, Ardenode and Keoma. The usual sports will be played, also a ball game. Everyone bring their baskets. The ladies will serve ice cream, etc

Dalemead Doings

—o—

U.F.A. Sunday services were well attended, regardless the threatened shower of rain.

* * *

Edward Dalton came home last Wednesday from Dr. Church's Health Home, in Calgary. He is feeling much better.

* * *

Every Wednesday and Saturday the juniors hold baseball practice. Some fine day they will be joining in one of the big league games.

* * *

Mr. and Mrs. Holmes came home from their vacation on June 19. Mr. Golding, from Vancouver, had charge of affairs in their absence.

* * *

The U.F.A. distributed a car load of fence posts last week. The farmers were very much satisfied with them.

* * *

Mr. R. Wheeler ir riding around in a new Star car these days.

* * *

Reports from Calgary tell us that Mrs. Dixon has greatly improved, and may soon take a trip to Vancouver.

* * *

A dance was held in the hall on Friday evening. Mrs. C. Brabbins supplied the music and everyone had a good time.

S. E. Hall Passes Away at Spokane

—o—

Strathmore and district will greatly regret the sad news that has just been received of the death of Mr. S. E. Hall, who, with his wife, was a late resident of Strathmore district.

It will be remembered that Mr. Hall underwent a very serious operation in Calgary some time ago, and, while his life was despaired of, made a great rally, and in time was successful in regaining his health to such an extent that he was again able to be active at is home and in town.

After selling out here Mr. and Mrs. Hal left for the States, where Mr. Hall intended to reside in the future.

On Sunday, June 15th, Mr. Hall developed pneumonia following a second operation at Spokane. On Thursday and Friday morning his pulse and temperature were normal, but suffering a relapse died at 6.30 p.m.

Mrs. Hall left on Sunday for Loami with the body, where interment will take place.

Mr. and Mrs. Hall held the high esteem of all in the district, being valuable workers in many organizations. Mrs. Hal being convenor of the Gleichen constituency of the Womens' Institute for some time.

Strathmore and district extend its deepest sympathy and condolence to Mrs. Hall in this, her sad bereavement.

—o—

MASONIC SERVICE AT ST. MICHAELS' SUNDAY

On Sunday, June 29th, all Masons of the Strathmore Lodge will meet at the Hall at 6.45 p.m., and march in a body to attend a Masonic service in St. Michaels' Church. Bro. Rev. A. D. Currie will officiate.

This will be one of the most inspiring services ever held in Strathmore. Many prominent Masons from Calgary and other points will be in attendance.

Three Die In Strathmore Fire

—o—

Mother and Two Chidren Die as Result of Tuesday Morning's Fire.

—o—

What is, undoubtedly, one of the worst tragedies that has ever occured in the town of Strathmore, or district, took place on Tuesday morning, when the residents of the town were aroused by the frantic ringing of the fire alarm, which, though responded to promptly, was of no avail in saving life or property.

Fire Breaks Out

John De Bie, wife, and one daughter, Heriet, age 3, had risen about 6.30 a.m. and commenced their daily duties, when the tragedy occurred. Mr. De Bie, who was attending to his horses, rushed to the house on hearing screams, and found his wife in a mass of flames. He promptly proceeded to extinguish these, forgetting for the moment that the fire was steadily gaining a firm hold on the house.

Rescues Two Children

Mr. De Bie, with the aid of a ladder, attempted to save his other four children who were sleeping upstairs. Jennie, age seven, and Annie, age four, were thus saved by the father in this manner, though only after receiving severe burns.

By this time the fire brigade and neighbours were at hand, only to find that the building and lives of the two remaining little girls, Cornelia, age six, and Maria, age thirteen months, were beyond all hope of rescue.

Receives Medical Aid

Mrs. De Bie and two daughters, who were so badly burned, were rushed to the Strathmore Hotel, where Dr. Girvin administered medical aid. Armstrong's ambulance, from Calgary, rushed the three sufferers to the Calgary Holy Cross Hospital.

Father Duggan Called from Gleichen

When it was found that there was no hope of saving the little ones, and Mrs. De Bie being in a very serious condition, Father Duggan was called from Gleichen.

The rough roads did not delay Fr. Duggan from bringing aid to the sufferers. He having made the trip from Gleichen to Strathmore in a little over thirty-five minutes. This prompt action won the admiration of everyone.

Cause of Fire

It seems that the De Bies had a can of gasoline in the house, and had either attempted to start the fire with it, or had let it standing too near the stove, causing it to explode. Mrs. De Bie, in an attempt to remove the can, caught her clothes on fire.

Mrs. De Bie Dies Wednesday

Word has just been received from Calgary that Mrs. John De Bie has succombed to burns and shock received at the fire here on Tuesday. After much suffering she passed away on Wednesday afternoon.

Her two children, who were burned to death, were interred in the Strathmore Cemetery after the burial service was read by Father Quinn, of the Catholic Church. C. W. Chase having charge of the funeral arrangements.

The burial service for Mrs. De Bie will be held in the Catholic Church on Saturday morning at nine o'clock, following which she will be laid to rest by her children.

Worthy Subscription Started

The business men and residents of Strathmore, in an attempt to relieve, to as great an extent as possible, the suffering of the De Bie family, have started into circulation a subscription sheet, endeavoring to raise as much money as they can to help the family that has been left so destitute by fire.

If the many people of town and district who are anxious to subscribe to this cause, would give Mr. Van Tighem, of the Union Bank; Mr. R. Inglis, of the Strathmore Hotel, or Mr. F. Miller, of the King Edward Hotel, their names, they will be added to the list of donors to be published in the Standard shortly.

—o—

Players Risk Lives

—o—

During Filming of Big Picture "The Go-Getter."

—o—

Several minor accidents marked the filming of certain scenes for the Paramount-Cosmopolitan production, "The Go-Getter," coming to the Memorial Hall on Saturday. Seena Owen, playing the leading feminine role, was slightly bruised by the wing of the Curtiss airplane used in the production, and the leading man, T. Roy Barnes, risked his life by standing on the tracks in the path of a swiftly approaching train, jumping to safety when the engine was only a few feet away. "The Go-Getter" is an excellent picturization of the story by P. B. Kyne, directed by E. H. Griffith. The cast is excellent.

The Sluggard--Put Him To Work!

The most effective beauty treatment known

—is this simple method. Millions now employ it to keep youthful loveliness

You will be amazed, reading this, to discover the perfect simplicity of a beauty secret millions of women use.

Yet it is the most effective known. It will help you, too, in keeping the radiant loveliness of youthful skin.

Regularly, do this

Cleanse the skin regularly, authorities say, to keep your complexion lovely, radiant, youthful. But beware of harsh cleansing methods. They injure skin.

Wash thoroughly with Palmolive Soap—each night before retiring. Rub the creamy, foamy lather well into the tiny pores. Rinse — and repeat the washing. Then rinse again.

Then—if skin is dry—apply a little cold cream. That is all. Skin so cared for is not injured by cosmetics, by wind and sun, or by dirt.

The simple, correct way

You cannot find a more effective beauty treatment. Because Palmolive Soap is blended of rare palm and olive oils—famous for mild but thorough cleansing qualities since the days of Cleopatra. And it is inexpensive.

Just be sure it is Palmolive that you get. Note name and wrapper—for Palmolive is never sold unwrapped. All dealers have it. In one week you will see most encouraging results!

Volume and efficiency produce the quality for

Mrs. Syd. Hyde and daughter, Violet, left last week for England, where they will spend the summer months.

• • •

Mr. and Mrs. J. Saunders are leaving on Thursday for the coast cities where they will spend the summer vacation.

• • •

Mrs. Frank Mertens has returned to Didsbury after visiting her mother for a week.

• • •

Mr. J. Van Tighem was a business visitor to Cluny last week.

• • •

A son was born to Mr. and Mrs. C. S. B Lait on Wednesday last. We all join in extending our hearty congratulations.

• • •

A charming personality visited Strathmore last week in Dr. W. K. Viscent, F.V.C.M. LL.C.M., who conducted piano examinations here for the Canadian Academy of Music and Toronto College of Music (Amalgamated). The boys and girls who presented themselves for examination are a unit in declaring him to be the "finest ever", while he, in turn, was delighted with the musical material found not only in Strathmore but in the West generally, going so far as to state that while the training institutions are in the East, the talent is largely in the West. Dr. Vincent spent the day as the guest of Mr. and Mrs. Gilbert Patrick, returning by train to Calgary. Those invited to meet him included Mrs. Bosward, Father Boltz, of Rockyford, Mr. E. W. R. Lambert, Mr. C. A. Lydiatt, and Mr. Whitney.

• • •

In honor of Miss Margeson, a bride-elect, a shower was given in the dining Room of the Memorial Hall on Tuesday evening last. The hostesses were: Mrs. Foote, Mrs. Lodmell, Mrs. Fredericks and Miss Cope. Mrs. Zerkle, Mrs. Girvin and Mrs. Lodmell received the guests at the door. Bridge and whist was indulged in until 11 o'clock, when a very dainty lunch was served. The tea table, with two bowpies resplendent in full bridal array as bride and groom in the centre, was presided over by Mrs. J. French and Mrs. Boucher, and the Misses Ewing, Stockton, Crawford, Fairlie and Watson assisted in serving. After tea Mrs. Smith sang in her usual good style, accompanied by Mrs. Bosward. Followed the most important part of the evening when a wagon, artistically decorated with mauve and white ribbons and lilac, was pulled in by little Miss Josephine French, and Master Kenneth Wright, both looking very sweet in sailor costumes. In a few well chosen words, Mrs Stockton presented Miss Margeson with the many gifts, together with sincere wishes for her future happiness. Those present were: Mrs. Shrimpton, Mrs. Jones, Mrs. Way, Mrs. Strauch, Mrs. Dewitt, Mrs. Snaith, Mrs. Teare, Mrs. Jenkins, Mrs. Miner, Mrs. J. Anderson, Mrs F. J. Schumann, Mrs. North, Mrs. W G. Way, Miss Watson, Francis Hervey, Alice Harvey, Mrs. M. May, Mrs. Fessenden, Mrs. Freeman, Mrs. R W Gardner, Mrs. Wright, Sadie Wright, Mrs. Harries, Stella Ewing, Mrs. Boucher, Miss Fairlie, Mrs. Chase, Mrs. Bell, Miss Chase, Mrs. Seeles, Mrs. Prince, Mrs. Thompson, Mrs. Garrett, Mrs. Morse, Mary Stockton, Alice Crawford, Mrs. Tompkins, Mrs. R. S. Stockton, Mrs. Keyvett, Mrs. Van Buren, Stephanie Chamberlain, Mrs. Hirtle, Mrs. S. Chamberlain, Mrs. Bailey, Mrs. Marcum, Mrs. Dobson, Mrs. J. Wright, Miss Sanford, Mrs. Patrick, Mrs. T. Wright, Mrs. Brown, Miss Gibson, Mrs. Van Tighem, Mrs. Fredericks, Mrs. J. Moran, Mrs. Girvin, Mrs. Birmingham, Mrs. Ridley, Mrs. Craddock, Mrs. McFarland, Ella Anderson, Mrs. Blackwell, Edith Gray, Mrs. Woldum, Mrs. Ellis, Mrs. Christensen, Mrs. Zerkle, Miss G. Stephens, Mrs. Currie, Mrs. Lodmell, Miss Borton, Mrs. J. French, Mrs Smith, Mrs. Hewitt, Mrs. Foote, Miss E Cope, Mrs. Bosward, Miss Josephine French and Master Kenneth Wright.

—o—

MANY TOURISTS COMING

—o—

Indications are that the next month will see a large influx of tourists to the province to take in the mountain resorts and the several events that are scheduled during the first part of July. These include the Mounted Police Historical Pageant at Macleod the first three days of July, with the Calgary Stampede and the Lethbridge Exhibition following close after, and the Edmonton Stampede and Exhibition coming on July 14. Tourist bureaus in Western and Pacific States are receiving many enquiries regarding these events, and are routing tourists through to Alberta in considerable numbers.

CANADIAN NATIONAL RAILWAYS

Keoma Notes

—o—

A goodly number of people turned up at Keoma on Sunday, June 15th, to witness the ball game between the locals and Riversdale, Calgary. The visitors arrived minus three of their line-up, the car containing the players getting stuck in the too plentiful mud somewhere between here and Calgary. They were, however, enabled to augment their team by the inclusion of three Iricana players. The game was evenly contested right through, the verdict going to the locals 6-5. Lefty Brown was the battery for Keoma, and was accorded a great ovation from the crowd on going to the mound to pitch, this being the first occasion this season he has donned the uniform for his home team. With his assistance Keoma feared no opposition.

HOTELS SELL BEER

After eight years of prohibition, hotels in Alberta began sale of beer again last week. Six hotels in Calgary and seven hotels in Edmonton commenced the sale of beer Saturday. Other licenses are being granted.

Baintree Sidelights

—o—

Say fellows ,the poem that Carseland wrote last week drove our poor dog to distraction. For a whole day he did nothing else but keep chasing old Mutt, the cat, up a telephone pole. All the same we wouldn't trade him for another goat. Dempsey is the right kind of animal for a Scot to own. He not only supplies his own meals, but he also provides for our private table as well. Each day he brings us a plentiful supply of rabbits and gophers. When they are well season'd with pepper and salt, and made into chicken pie or sausage, you have a delicacy that has quail on toast looking like corned beef hash on a wash day. Try them on your friends.

* * *

The Trail Rangers, of Rockyford, and the "Junior Bearcats" met in the Stadium on Wednesday afternoon in a real game of ball. The boys from the Ford played an air tight game and shut out the local team with a score of 5-0. Although defeated the young Bearcats were not disgraced, and at the end of a stirring contest gave three rousing cheers for the visitors . The Rockyford lads returned the compliment with a will, and also added one for Micky Blake who dispensed justice with his usual courtesy. That was fine boys. Cultivate the spirit in every way. It will bring you more happiness than fame or fortune. When you can accept victory or defeat with the same spirit, you will have a large chunk of this good old earth right in the centre of your little padded mitt.

* * *

On Monday evening, the piano pupils of Miss Wymen ,along with a number of friends entertained a crowded school house with a recital and concert.

* * *

Messrs James Bird, R. W. Leonard, and Miss Annie Dey, all of Tudor, delighted the audience with a number of piano solos and songs. Fay Troth, Roberta Wymen, Tina Glendinning, Tom Glendinning, Dave Longhotham, and Miss Wymen all earned the vigorous applause of the crowd by their clever work at the piano . Miss Elenor Browns presented two readings in her own happy and original manner. The programme was easily the most delightful that was ever submitted to a Baintree audience, and was a splendid tribute to the teaching ability of Miss Wymen, and the intelligence of her pupils. Some time ago the Carseland correspondent said music is a necessary part of a child's education. We cordially endorse her little article on the subject. It is worthy of the consideration of everyone who is interested in our young Canadians . Good music brings to men, women, and children many of the most precious things in life. Support it to the best of your ability on every occasion.

* * *

The school house was filled to capacity on Wednesday night when the Rev. Mr. John Garden delivered his farewell sermon. At the conclusion of the service Mr. V. C. Chapman took charge of the meeting, and a short programme of music and readings was given by a number of friends. On behalf of the Trail Rangers, Hubert Chapman presented Mr. Garden with a gold mounted pencil as a memento of the happy days that he had spent with the boys at Baintree. In presenting Mr. Garden with a handsome gift from the community, T. Longbotham spoke briefly on the many splendid things accomplished by the retiring pastor. Mr. Garden was asked to accept the present, not for the money it represented, but for the kindly feeling and good will which prompted the gift. Mr. F. W. Wymen, who was also called on to speak, referred in glowing terms to the splendid work done by Mr. and Mrs. Garden during their residence in the district. In reply Mr. Garden touched feelingly on the loyalty and affection of both young and old. He expressed his gratitude for the kindness and co-operation he had always received, and at the end of a happy address asked for the same treatment to his successor. The singing of the national anthem terminated a most enjoyable evening.

* * *

Mr. and Mrs. Garden will leave for their new home in Pincher Creek at an early date, where they will continue to labor in the greatest cause of all. They will carry with them the best wishes of everyone in the Baintree district, regardless of race, creed, or religion. They will leave behind them a void that will be hard to fill.

* * *

Bye, Carseland, this is the last carriage, for the time being at least . We are compelled to put aside our pen for the sterner things of life. . Once again we congratulate you on your columns. You have entertained our friends as well as your own. We are grateful for your kindness, and in return wish you the two greatest things in life: health and happiness.

Serviceberry U.F.A. and U.F.W.A. Meeting

—o—

Several important resolutions were adopted by the Serviceberry District Association, U.F.A. and U.F.W.A., at the meeting held in Standard, Saturday, June 14.

One resolution objected to application of the name "Vancouver" to any wheat handled at the Pacific coast terminals, and favoured calling all such grain "Alberta wheat."

Complete reinstatement of the Crows Nest Pass agreement was demanded in another resolution. Copies of this resolution to go forward to Premier King and our M.P.'s.

The convention urged the wheat pool board to take steps to acquire at the earliest possible moment elevators, both local and terminal.

Another resolution favored splitting into ten separate units the seven wheat pool districts in the province for electing purposes, each unit to elect one delegate.

W. J. Elliott, of the livestock department of the U.G.G. talked organization of local livestock dipping associations. The secretary was instructed to obtain information and forms of contract for such organizations.

Mrs. R. B. Gunn, provincial president of the U.F.W.A. spoke enthusiastically of the work the United Farm Women were doing, and made a splendid impression on the convention.

The heavy rain of Friday night and made travelling difficult, but the attendance was large; delegates coming from Ardenode and Redhead, Rockyford, Baintree, Tudor, as well as Standard.

—o—

NATURAL RESOURCES

—o—

Premier Greenfield and Attorney General Brownlee have returned from Ottawa after negotiations with the Dominion authorities regarding the transference of the Natural Resources of the province to provincial control.

The Provincial Minister accepted the offer made by Premier King in 1922 of settlement on the basis of an accounting from 1905, subject to the provision that if, when negotiations are resumed shortly after the close of the Session at Ottawa, when the Dominion Government will be free to devote necessary time for a full discussion of the question, an agreement can be arrived at satisfactory to both governments that will avoid the expense and delay of a detailed accounting the acceptance of the accounting by the province may be waived.

Rockyford Locals

—o—

Mrs. O. Hill left for Edmonton on Monday morning to spend a month with her parents, Dr. and Mrs. Ness.

* * *

Members of the Rockyford Golf Club journey to Strathmore Sunday afternoon. They capsized but no one met death.

* * *

What's the matter with baseball? We have not had a game for over a month.

* * *

The St. Ita's choir held their annual picnic at Lake end picnic grounds on Sunday afternoon.

* * *

Mr. W. Webb was a visitor to Calgary over the week end.

* * *

On Saturday the boys and girls are to have a chance to see a real circus.

* * *

Next Sunday will be Rev. J. H. Gardens last Sunday in our midst. His sermon will take the form of a farewell address.

* * *

The third annual recital given by the pupils of Rev. Father Boltz held in the Union Church on June 19th went off in a finished manner. The programme was very well chosen and appealed to the audience.

* * *

Rev. J. Garden will preach his farewell sermon on Sunday, June 29th, at Crowfoot, Tudor, and Rockyford, as he leaves for Pincher Creek on Monday, June 30th.

* * *

Their will be a farewell banquet for Mr. and Mrs. Garden on Friday evening, te 27th. Everybody invited.

* * *

Make your picnic plans early and reserve Wednesday, July 16th, for the Union Sunday School picnic which will be held on the Rosebud picnic grounds between the hours of 10 a.m. and 5 p.m. Everybody come.

—o—

DEATH

—o—

The death of Elvin Jerome Dresser took pace on Monday June 23rd at the home of his father. A short service was held at the home Tuesday, June 24th, after which the body was taken to Walla Walla, Wash. Mr. Dresser leaves wife, two sons, and two daughters to mourn his loss.

—o—

IMMIGRATION RECORD

—o—

Seven families just arrived in the Dominion, appear to have established a record in immigration with eleven adults and fifty-four children ,the latter ranging from twenty-three to one and a half years of age.

WANTED, immediately, reliable girl or woman. Phone 32, Rockyford.

COLE BROS. SHOW AT ROCKYFORD SATURDAY

—o—

On Saturday, June 28th, Cole Bros. Circus will be at Rockyford. Trained animals of all kinds will perform. Cowns, ponies, gentlemen and lady entertainers, good music, in fact, everything to make a first rate show. Performances will commence at 2.00 p.m. and 8.00 p.m. Everybody come and take advantage of the novelty acts under the great waterproof tents.

Keoma Council Meeting

—o—

A meeting of the Keoma council was held on Monday, June 16th, at the Municipal office at 10 o'clock; the following members being present, Reeve Scratch, and Councillors McLean, Donkin, Ruemiller, Bates and Fetroe.

On motion the minutes of the previous meeting were adopted as read.

Correspondence was read from the Department of Agriculture dated June 9th, to the effect that they were not the proper department to ask for information in connection with the round-up. On motion the secretary was instructed to communicate with the Department of Municipal Affairs.

On motion it was moved that permission be granted to the ratepayers to have a round-up of horses in this Municipality on June 26th.

On motion Messrs Ruemiller and McLean were appointed to assist the poundkeeper and see that the necessary supervision under the Domestic Animals Act is enforced. The respective poundkeepers are Messrs Drower and Thurston. On motion Mr. Thurston was to be furnished with a set of brand books for use at the pound.

On motion the communication re Waddy road diversion was tabled.

The following bills were passed and the deficit charged to the owners' land: W. A. Freeman, $16.85; R. Peel, $17.50.

A pound bill was passed for $17.85 for a horse sold in pound owned by Chas. Morton, of Hussar. On motion the secretary was ordered to collect this deficit.

Mr. L. D. Clark, of Nightingale, was given permission to put gates on the road allowance between sections 33 and 34, 25-24-4.

On motion Mr. N. O. Hendricks was granted permission to close road advertised in Strathmore Standard on June 4th, on north, east, and west side of section 36-26-25-4, with the understanding that he will not inconvenience Mr. McNeill,

On motion it was agreed that the party doing the contract work should carry bond for 50 per cent. of contract work.

Mr. Reid was granted permission from the Council for application for restaurant license at Dunshalt.

The secretary reported that only a few gopher tails reports had come in from the schools. On motion it was agreed to pay for those to hand.

On motion the matter of location of bridge proposed west of 19-27-25-4 was left with the government.

Strathmore Hospital

Mr. Stockton, of the C.P.R., Strathmore, was present in conjunction with Mr. Carrie and Dr. Girvin on behalf of Strathmore Hospital, and presented the mater of outstanding accounts due from residents of Keoma Municipality. On motion the following accounts were ordered paid and charged against the land respective to each: Gladys Reynolds 18.75, Leo Barry 75. Mrs. R. Pool 75.00. The following bill was also passed on account of Mrs McIntosh—$55.00. A further account oof Mrs. J. Shoewalter was not allowed for sum of $86.00.

Bridges

Mr Stockton then spoke in regard to bridges and gave the Council to understand that in connection with the bridge east of Mr. Istvamffy's, between sections 3 and 4, 27-26-4, that this bridge would be straightened out on the east and west road by moving it 40 feet east.

In connection with bridge over Irrigation canal east of section 29-26-25-4 (Mr. Boyack's) that there would be a road made straight with the bridge on the south side and eliminate the present angle approach. In some time in the future this bridge would have to be moved east in line with the regular road allowance.

In connection with the lake in section 22-26-26-4, the C.P.R. plan on draining this and would improve the road around the north side where there is at present a road of rocks through the slough just west of the Ditch riders house. In making this the C.P.R. contemplate building quite an extensive ditch at the south end of the lake, and requested that they not be requested to build a bridge over the ditch on the unused road North of section 35-25-26-4.

Subsequent to the advertisements in the Standard, the section laid 10 tenders on the table for contract of grading 27 miles of road. The bids ranged from $74 to $140 per mile, and the work was finally given to Mr. Chas. Burr of Igala, at $74 per mile. On motion the council allowed him $1.00 per mile to sharpen the grader blade, and agreed to furnish him with an extra blade. A written contract is to be entered into between Mr. Burr and the district that the work be completed by September 15th, and that he furnish bond.

BUY YOUR TICKETS LOCALLY

—o—

JAPS LIKE ALBERTA BEEF

—o—

So interested have Japanese livestock dealers become in the shipment of beef cattle recently made by the Alberta Government to Japan in charge of H. A. Craig, Deputy Minister of Agriculture, that butchers from all over Japan have come to view the stock, according to word received today from Mr. Craig, by Hon. R. G. Reid, acting Minister of Agriculture.

Mr. Craig writing from Tokyo says that the stock made the trip across the Pacific in excellent shape, and further states "The Japanese are well pleased with the cattle and are particularly well satisfied with the beef. They are anxious to have another shipment as soon as possible. The trade is possible of development but depends, I believe, upon reduction in freight and expenses all through."

In connection with freight charges, Mr. Craig states that he has arranged to meet the representatives of the shipping board in Vancouver to discuss the matter on his return from Japan.

Mr. Craig was surprised to learn that the Japanese themselves are producing a very fine quality of beef. The two horses also taken over with the shipment, have been sold by Mr. Craig, but he states that there is no demand for horses of any description.

There is demand, he states, for timothy seed, barley for brewing, wool and hides, wool commanding a price at the farm of 1 yen 80 sen, about 90 cents in Canadian money. Timothy seed is worth about 17 cents a pound.

Mr. Craig has established some valuable connections which may later prove to be of advantage in establishing a market for Alberta products. He is sailing for home on June 21.

EDMONTON NEWSBOYS BAND FOR WEMBLEY

The Edmonton Newsboys' Band, the only Canadian band granted an engagement at the British Empire Fair at London, will leave for overseas next week. The engagement of the band is for six weeks at the fair, and the band will also play in other parts of Britain.

By special vote of the council, division 6 was granted $500 for grading purposes.

The date of the next meeting was fixed at July 21st.

FRANK J. EWING,
Secretary-Treasurer

Local Jottings

OF LOCAL INTEREST

Readers are requested to send in items for this column not later than 12 o'clock Monday noon preceding day of publication. All local news items are welcomed by the Standard. Phone 11 or call

Messrs Donald and Oliver Grimes are at present visiting Strathmore after a month trip from the States over the Banff-Windermere road.

* * *

The subscription list for the De Bie family is meeting with great success. Have you signed yet?

* * *

On Wednesday afternoon Mr. "Red" McKechnie was visited by his mother, sister, and young brother, from Calgary.

* * *

The two local beer parlors are doing a steady business, and have kept very orderly; the law being stringently adhered to.

* * *

Through mechanical troubles the Standard is a day late in publication this week.

* * *

Mr. Pattemore, of Pattemore's Bakery has now opened his ice cream parlor, and gives radio concerts each evening.

* * *

Don't forget the Strathmore Stampere, July 16th, 1924.

Golf Notes

The much anticipated mixed foursome was played on Wednesday evening, one week ago, and proved a very enjoyable event, the best score, 32 nett, being made by Mr. H. Williams and Mr. Stewart, who won the smart little club pins presented by Mrs. Ridley and Mr. Foote (Captains). A rousing bon-fire followed the game with most acceptable picnic supper. Mrs. Tom Chamberlain and her capable committee, of whom Mrs. Stockton, Mrs. S. Chamberlain, Mrs. Williams and Mrs. Shrimpton were present, ably re-enforced by Mr. T. Wright and Dr. Robinson, had the refreshment question in hand. Songs and fractions of songs were indulged in, and the general opinion seemed to be in favour of more bon fires.

* * *

Two events were pulled off on Sunday, 22nd, namely the ladies June handicap competition, won by Mrs. Van Tighem in the first flight, and by Mrs. Roland Hill in the second flight, and the much anticipated team match with Rockyford men, which was won by Strathmore on points; one victory went to Rockyford after a very stern battle between our worthy captain, A. B. Foote, and his opponent, J. Illingworth, of Rockyford, who won by one stroke on the twentieth green, and Mr. Thos. Wright and his opponent, Mr. Sangster, of Rocky..rd, also gave each other a prolonged argument, which finally terminated in favour of Strathmore on the twenty-first green, the other matches all being in favour of Strathmore.

* * *

Due to the fact that we are to use the international system of handicapping, Mrs. Ridley and Mr. Foote request that each member of the club turn in one duly signed and dated score card weekly from now until August 15th in order that correct handicaps may be given for the club championships.

* * *

MEMBERS WHO DO NOT COMPLY WITH THIS REQUEST MUST BE CONTENT TO PLAY AT SCRATCH IN THE CLUB CHAMPIONSHIPS.

* * *

A great deal of dissatisfaction is being felt among the men over the fact that certain lady members persist in wearing high heels. This would not be tolerated in a tennis club, and is having the effect of making several of the greens unplayable, even after using the sweeper; these heels going so deep that only the use of a roller can really offset their effect.

* * *

This week a visit is expected from teams from the Gleichen Golf Club, both ladies and gentlemen, but the date has not been settled at the time of going to press.

* * *

Scheduled Fixtures

Friday, June 27th, p.m.—Ladies' one club competition.

* * *

Sunday, June 29—Men's team match, President vs. Vice-President.

Namaka Notes

—o—

Mr. W. H. Buker received his license on Wednesday last, and opened up the same evening, having completed all alterations as requested by the board. Entrance to the new portion is from the front, and entrance to pool room and merchandise at the side door.

* * *

The Ladies Aid have organized here, appointing officers as follows: President, Mrs. Wooster; Secretary, Mrs. Buker; Treasurer, Mrs. Aitkens. The first meeting was held at Mrs. W. J. McKinnons on Thursday last. The next meeting will be at Mrs. Sim's on July 7th. All ladies are cordially invited to attend.

* * *

A picnic was held at the river on Tuesday last for the Namaka School. All the children attending school were present and spent a very pleasant time. The chief attraction was a ball game, Fathers versus School Boys, in which the juniors emerged victorious by a score of 3 to 2.

Rosebud Notes

—o—

The younger set held a picnic at Horse Shoe Canyon on Sunday. The day was ideal and a very enjoyable time was spent.

The Debrinski ravine will soon be known as "Calamity Hill." On Wednesday evening last, when Mr. Fred Harbour, his brother who is visiting, and another man were on an errand in that vicinity when their car rolled over the embankment, and the second Mr. Harbohr was very severely hurt, several ribs being broken, and his car badly lacerated. The unfortunate men was taken to Calgary to the hospital and is getting along nicely.

On Sunday week three boys were riding out the Scotch Road, two of the boys, Barlow and ... were playing a little race when the horse on which the ... was riding reared and fell. The ... rider has a very badly bruised and cut face.

A meeting of the U.F.W.A. has been announced for next Saturday evening, June 28th. The meeting will be held in the church, and all the members are requested to be present.

Friday night's dance was well attended, and everyone had a most enjoyable time. The music was provided by local talent and was excellent. There will be another big dance on July 4th in the hall.

The moving picture shows which are being held in Rosebud Hall on Monday night are proving very popular. This week the show will be followed by a dance.

—o—

A total of 969 communities in Alberta are now served by the Provincial Government telephone system. The total number of phones served in the system is 67,270, of which 32,260 are exchange phones, 20,252 are rural phones and 1,085 are private party lines and 13,385 are connecting subscribers. There are 264 exchanges in the province, with 201 toll offices and 62 private party lines.

The growing importance of Canada's trade in the Pacific is reflected in the official statistics of the Vancouver Harbor Board for the month of December, 1923, which shows a substantial increase in shipping in that port over the same month in 1922. Total shipping through the port amounted to 434,452 tons, valued at $31,421,129, an increase over December, 1922, of 122,602 in tonnage and $2,703,078, in value.

Ten 10,000 Imperial gallon tenders, for use behind the P-1 type engines used in the Western mountains, have been ordered from the Canadian Locomotive Company, Ltd., Kingston, by the Canadian Pacific Railway at a price of $12,445 each, delivery to start in May and be completed in June this year. These tenders will give more efficient coal and water service than any others in this country.

During the year 1924, 96 arrivals and departures on the St. Lawrence route, with its different services, to be maintained throughout the summer months by the popular monoclass cabin and Empress class steamers, will constitute the Canadian programme of the Canadian Pacific Railway's steamships. A combined tonnage of 197,000 gross tons will be in operation on the Atlantic under the Company's flag, the largest amount yet assigned by a single line to steamship passenger traffic on the St. Lawrence route.

Canada's unfavorable trade balance with the United States is more than equaled by her favorable trade balance with the United Kingdom, according to trade figures of the Bureau of Statistics. For the year ending February, Canada's imports from the United States were $603,000,000 and her exports to that country $426,000,000, an excess of imports of $177,000,000. As against this, Canadian exports to the United Kingdom were $355,000,000, and the imports from Britain $155,000,000, a surplus of $200,000,000 on the side of exports.

Standard News

—o—

Mr. J. P. Hansen held a business visit to Calgary last week.

Miss Lykka Anderson, who has been attending East Calgary High School during the past year, returned to her home here on Wednesday.

A number of friends visited Mrs. George Nygaard on Friday, June 20th, which was her birthday, and spent a pleasant afternoon. Those present were Mrs. E. Dam, Mrs. G. Norroft, Mrs. N. W. Thompson and kiddies, and Miss Viola Myrthu.

Mr. O. P. Larsen has purchased a new Chevrolet sedan.

Miss Amelia Paulsen is the guest of her sister Mrs. Paul Huien.

Mr. E. Wirt motored to Calgary on Friday. We are glad to report that Mrs. Wirt, who has been very ill at the home of Mrs. Bolick, Calgary is making a satisfactory progress towards recovery.

Mr. and Mrs. Dawson and daughter, of Dyson, Cal., arrived in Standard via Gleichen on Saturday afternoon, to spend the summer with Mrs. Dawson's parents, Mr. and Mrs. Geo. Webb. After a delightful motor trip from California they were unfortunate enough to be caught in a snow storm at Cochrane, Alta., and found it necessary to leave their car there and proceed by train to Gleichen.

Miss Helen Gregory returned from school in Calgary on Thursday, via Rosebud. Helen has been a pupil of Sacred Heart Convent during the past year, and was successful in being recommended for Grade XI.

Edmonton Exhibition and Stampede

—o—

The Edmonton Exhibition, which has for years held the record of being one of the best agricultural and live stock shows in Canada, has this year included as an added feature a real Stampede ,for which a splendid programme has been arranged, including all the regulation stampede features, with regulations sufficiently stringent to ensure good competition, and broad enough to attract large numbers of competitors. Indians from the Hobbema reserve will also be on hand.

The entertainment programme will also included horses and auto races, fireworks, the best platform attractions that could be secured from New York, midway shows, and many new and novel features.

The Dominion Elks Convention will be held in Edmonton during the week of the Exhibition, July 14-19, and this energetic and up-to-date organization, are bringing with them four or five bands, and are holding their sessions in the mornings so that they can attend the Exhibition in the afternoons; the Edmonton Elks say that there will be "something doing" most of the time, wherever two or three of these fun-loving live wires are "gathered together."

The Dominion Live Stock Branch will have splendid educational exhibits, and are co-operating with the Edmonton Live Stock exchange in putting on a big educational exhibit; the Provincial Government will also conduct at Edmonton a free baby clinic and big health exhibit; this will be the only point in the province at which this exhibit will be shown this year. The Dominion Postal Branch and the Express companies of Canada are putting on big educational exhibits, and a dynamometer to measure the pulling powers of horses is being specially constructed and will be displayed at Edmonton Exhibition; this device was a sensation at the Iowa State Fair last year.

A mine rescue competition will be staged, open to teams from the area north and west of Red Deer, including events for mens, ladies, boys and girls first aid contests.

The camp grounds for tourists will this year be located adjacent to the Exhibition grounds, immediately south but not in the Exhibition enclosures; tents and cots will be supplied to those applying for same to W. J. Stark, the Manager of the Edmonton Exhibition.

SALE OF UNCLAIMED HORSES

—o—

The first auction sale in connection with the recent round-up of horses on southern ranges will be held July 8th at the carrals of Rex Rose north of Redcliff. There are nearly 100 head of unclaimed horses to be offered in this sale. Later sales will be held at other points when several hundred head of strays rounded up will be sold.

NEW C.P.R. BRANCHES IN ALBERTA

Definite announcement has been made by C.P.R. officials of construction this year of two important branch lines in Alberta. One of these will be 25 miles, from Kipp, near Lethbridge, to the Little Bow River, traversing the new Lethbridge Northern irrigation belt, now being colonized. The other will be 40 miles, from Lomond, the present terminus of the Suffield Lomond Branch, northwesterly into the Queenstown and Milo districts.

ALBERTA IS BEST

J. S. Wyndham, an old-time resident of the Province who went in 1919 to the State of Maine to enter farming, has returned this year to Alberta, stating that this province is much preferable to the States and is in a better condition with respect to farming conditions. Mr. Wyndham is a member of a well-known family who settled in the vicinity of Okotoks over 20 years ago.

DEATH OF WELL-KNOWN RESIDENT OF ALBERTA

—o—

The death occurred last week of Mrs. J. R. Boyle, wife of Hon. J. R. Boyle, former Attorney-General of the Province and leader of the present opposition in the Legislature. Mrs. Boyle was one of the earliest residents of the province and was very widely known.

To the Public of Strathmore and District.

I have severed my connection with the Strathmore Meat Market, and wish to thank all customers for the support given to me while in this business, and would appreciate a continuance of same to my late partner, Mr. Fred A. Cott.

HEAVY GRAIN SHIPMENTS WEST

Nearly 50,000,000 bushels of grain have been handled from the prairie provinces, chiefly Alberta, over the Pacific Route via Vancouver in the 1923-24 season, to May 31, compared with less than 18,000,000 bushels handled in the same period in the previous season. This is an indication of the manner in which the Western route has developed in the past year. Of these shipments about 34,500,000 bushels went to the United Kingdom and Europe via Panama, and about 12,800,000 bushels to the Orient.

Calgary Exhibition and Stampede

—o—

Ride 'im Cowboy! Milk that cow! Off to the wild bunch' and similar typical range-land expressions will be the order of the day during the week of July 7th to 12th, at Calgary, Alberta, when natives of that famous "City of the Foothills" are holding their annual frontier frolic known as "The Stampede" in conjunction with the Calgary Exhibition.

Everybody has heard of the Western Frontier Day celebration that is held each July in the progressive Alberta city, thousands from all over the world have witnessed this unique combined Exhibition and Stampede where are shown with historical correctness every phase of genuine western life, from before the coming of the white settlers up until the present day. The opening of the gigantic celebration is the famous Stampede Parade, five miles in length, in which appear hundreds of Indians with their ponies, travois, dogs and full ceremonial regalia, early settlers and old-timers, men and women, who pioneered the way across the vast unsettled prairies of the Northwest Territories and paved the way to make the Canadian West the vast inland Empire that it is today.

Hudson Bay Company factors with the Red River Carts, ox-teams, stage coaches, veterans of the 1874 Royal North West Mounted Police, Cowmen and the round-up outfits of cowboys, wild horses, buckers, wild cattle, and every type and character that has gone to make the west, a locale as picturesque as history provides.

Thousands of dollars in cash purses as well as several beautiful sterling silver trophies worth thousands more are awarded to the Cowboys and Cowgirls in the exciting contests of the sports of the range. Sports that require nerve, skill and strength. The funny wild range cow milking contest, the Indian races, the packing contests, riding of wild horses and wilder steers, large Indian encampment, old Hudson Bay Trading Post in active operation, chuck wagon races, Calfornia Cart races, Old Time Cowboy Ball, everyone in Calgary attired in Cowboy costume, headed by George H. Webster, Calgary's own Cowboy Mayor, waiting to extend the hand of greeting to every visitor. All this in conjunction with the Calgary Exhibition, in itself, is one of the greatest displays of the agricultural and industrial development of the Canadian West, which has justly earned the title of "The Show Window of Western Canada" and make one decide that these westerners have an annual holiday week that could not be duplicated in North America. Surely one's impulse is to go to Calgary Stampede Week, and be Western.

ROUTE THROUGH HUDSON BAY NOT PRACTICAL ONE

As compared with other trade routes, Hudson Bay Straits combines four of the worst menaces to shipping, namely, bad weather, fog, ice, and a lee shore, all of which in the estimation of a responsible sailor, effectively precent such a route from being classed as a good road.

As ships have been entering and leaving Hudson Bay on various commercial ventures for the past 250 years, it is foolish to say that the Hudson Bay route is not feasible for a few ships a year, when they are not operated on a time schedule, but can come and go at their own pleasure. This is particularly true when they have a shape of hull that can lift out of the ice when caught in the pack, this being the way in which government survey steamers, sealing steamers, whalers and the Hudson's Bay Company's ships are constructed. But even after listening to the account from navigators who have sailed in and out of the bay and straits, always under the foregoing special conditions of ship construction and always able to take their time in dodging ice packs or waiting for them to break up, it is equally foolish to jump to the conclusion that such a route is commercially feasible for cargo steamships of standard build, they must operate with certainty and regularity, on a competitive basis. —Financial Post

These new fangled domestic science pikes are alright in th' new har—providin' they's an old fashioned cook in th' kitchen—

Slats' Diary

Friday—Well are little family grupe diesided to take a otto trip out to see Uncle Hen and everything. Wood or probly been all nite, except if it wassent that pa got xelled and put gasoline in the raddyator and a few gal. of water in the gas tank. well they was enuff gas to get the engine started so we cud get out into the country and then the raddyator blowed the top off and the engine woodent run on water, pa had to drane the water out of the tank and the gas out of the raddyator and walk back and get stuff to fill up on. When we got to Uncle Hens he ast pa how was the old ford running and pa replied back and sed, I wander myself how in the sam hill it Does run a tall.

Saterday—pa let me drive the ford a bout a mile down the pike today and told me all about how to be careful and etc. Ma sed he had a nerve telling other fellows how to take care of a ford after yesterday. Well I good thing about pa he makes lotsa mistakes for me to profit in the future.

Sunday—Uncle Hen has got a brother that takes the prize for being the lazyest man in the wirld I guess. He never goes eanyplace unless he can ride. Pa says the only thing he ever uses his ft. for is to get the roomatism in them.

Monday—Back home agen. A baby across the st. was out in the sd. and swallered a peany, so when he begun to yell I shows him I am a good sport and give it a nother 1. My last penny to. My good turn for the day.

Tuesday—Mrs. Gillem is back from her husbends vacation and she says the girls at the Bathcing beech when you see them will make you think that poor Eve of whom you hear so much talk lately was all bundled up.

Wednesday—went to a party tonite of the campfire girls. I was a dancing with a girl frum Ky. and I apologized and sed, O I have never danced so poor before in all my wise entire life. She looks at me and lifts up her eye brow & sed, O then you have danced before have you. I put her down as a Smart Alek.

Thirsday—Lost are hired girl today. She told ma she diddent care to wirt for such a dirty housekeeper witch had to take a bath evry day. 1 time pa and me is not to blame for the trubble.

New Brunswick in 1923 produced more coal than at any other time in her history. The output for the year exceeded that of 1922 by more than 12,000 tons and amounted to 751,091 long tons. It is estimated that this industry creates a value of over $1,100,000 annually, most of which goes out in supplies and wages for the benefit of the province.

What will probably be the last big round-up of horses in the West will take place shortly in the range country south-east of Calgary, Alberta, for the purpose of clearing the range of stray horses. The horses will be gathered in one central corral, where owners may claim their animals. It is anticipated that about 10,000 animals will be secured. The Department of Agriculture is supervising the arrangements.

Unstinted praise from prominent citizens and the press of Alberta is given the Canadian Pacific Railway in connection with the Calgary's recently announced branch line construction program, affecting the southern portion of the province. C. R. Mitchell, member of the Provincial Legislature for Bow Valley, describes the announcement as the most important made in many years.

"Perhaps the most noteworthy fact we discovered was the vastly improved psychology of the people of the west to that which existed a year ago," commented E. W. Beatty, President of the Canadian Pacific Railway, on his return from a recent inspection of the Company's property. "They are full of hope and confidence and realize, as the east should realize, the tremendous benefit to the whole of Canada of a second consecutive large harvest."

The number of big industrial undertakings projected for immediate construction on the coast of British Columbia provides a striking indication of how that province is going ahead. A $400,000 forging railway up the Shohalis River Valley, a $1,000,000 mill plant at Chemainus, a $200,000 amusement centre at Victoria and a $200,000 sawmill at Port Coquitlam, with about $10,000,000 in power plants in the Seave Lake District are some of the more important and a host of smaller projects are also under way.

Here and There

Although it is only 18 years ago that Alberta became a province, its population has increased fourfold, while the grain yield has increased twentyfold. Even at the present low prices, the total agricultural products of Alberta in 1923 were worth $223,000,000.

Reports concerning the apple crop in the Annapolis Valley show that the entire crop, including the estimated local consumption, was 1,816,000 barrels. It is reported that 70,000 apple trees and 3,000 plum trees will be set out in the valley this spring.

The railways of Canada up to the end of last April earned $6,000,000 more than they did for the corresponding period in 1923. This favorable result is due entirely to the fact that the people have been doing more business. All authorities are agreed that such a condition means growing trade.

Nearly 68,000 bushels of high class seed were handled at the Alberta government seed-cleaning plant during the past season. A total of 22,823 bushels of Marquis wheat seed was handled, 3,160 bushels of ruby wheat, 23,073 bushels of Victory oats, 17,862 bushels of Banner oats, and 634 bushels of Bark's Barley.

Three prizes for anglers at the bungalow camps on French River, Pigeon River, and the Lake of the Woods, have been offered to Canadian fishermen by the Canadian Pacific Railway. The trophies are silver replicas of the bass and the trout, and a wonderful reproduction of the head of a fighting muscalonge.

Among the speakers to address the great convention of the Associated Advertising Clubs of the World at London, England, to be held July 14-17, will be E. W. Beatty, K.C., Chairman and President of the Canadian Pacific Railway. Mr. Beatty will speak on July 17, and has chosen as his theme "Building an Empire with Advertising."

Canada's national wealth in 1921 was $22,195,000,000, according to a report just issued by the Dominion Bureau of Statistics. In the tabulation, agricultural wealth comes first with $7,982,871,128, which is 36 per cent of the total and about $900 per head of population. The Western provinces lead, the Yukon topping the list with $4,958. The first in absolute wealth was Ontario, to which is credited the sum of $7,258,000,000, or thirty-three per cent of the Dominion total.

Shipping in and out of the port of Vancouver, B.C., for the calendar year 1923, showed an increase in all departments, according to the annual report of the Board of Harbor Commissioners. Over $153,000,000 worth of goods were exported, an increase of $30,000,000 over the value of the 1922 exports, while the imports totalled $224,000,000, an increase of $13,000,000 over the 1922 figures. Vessels numbering 12,606, representing a total of 8,427,683 net tons, entered and left the port in 1923, an increase over 1922 of 2,959 ships and 792,289 tons.

A party of 200 Canadian Weekly Newspaper Editors and their wives sailed for Europe on June 11th aboard the Canadian Pacific steamship "Melita." The party will visit the battle-fields of France and Belgium, seeing most important points in those countries, including Brussels and Paris and will be received by King Albert. Later, they will tour England and Scotland and are to be presented to the King and Queen at Buckingham Palace on Dominion Day. Returning on the Canadian Pacific steamship "Montcalm," they will visit Belfast, where Sir Robert Baird, head of the Belfast Telegraph, will entertain them. They dock at Quebec on August 4th.
